**Why:** Cloverbud Camp is a weekend to introduce our youngest 4-H members, ages 5-8, to the overnight camping experience. We know how important camping is. Campers learn and grow from the experience of spending time with friends in a unique camp setting. They develop new friendships, spend time away from home, learning independence among many other life skills. They experience the joy of summer camp and the personal growth that comes with it. Join us as we make memories at Cloverbud Camp!

**Supervision:** Youth ages 14-19 serve as teen leaders and play an important role working with your camper. Adult volunteers and staff members lead programs and provide additional supervision. Parents wishing to volunteer should contact Linda Eanes at 804-492-4390. All adults must complete volunteer training and have a clear background check prior to camp.
