

4-H Summer 2019

Cumberland 4-H offered a variety of camps this Summer. 4-H'ers learned about the basics of hand sewing in Sewing 101 Day Camp. The Bullseye Day Camp introduced youth to air rifle, air pistol, and archery. 4-H'ers learned about grocery shopping on a budget, making healthy food choices, and food preparation in Chopped Day Camp. The Move It! Camp taught youth about the importance of exercise and healthy habits. Our youth learned about the environment, natural resources, and their watershed at MWEE camp. In Cloverbud Day Camp, youth learned about the importance of farming in Cumberland and visited a fruit and vegetable farm, a sheep and goat farm, and a dairy farm.

Our 4-H family is growing with so many new volunteer leaders and great members. Our summer has been filled with so much learning, and our sincere hope is that our campers and our teens have grown this summer. We would like to thank them for their participation in 4-H. We would also like to take a moment to thank all the volunteers who dedicate their time to 4-H. None of our activities would be possible without their support. You are valued and appreciated!!

Junior 4-H Camp

Junior 4-H Camp is a weeklong, overnight camp at Holiday Lake 4-H center. Campers had their pick of morning classes and afternoons filled with fun activities. They also had free time to hang out with friends, swim, play sports, or Gau Gau. The teen leaders and adult volunteers were amazing and helped camp go smoothly. For more about Jr. 4-H Camp, visit http://accnn4hcamp.blogspot.com/ or https://tinyurl.com/hlcamp19.
